Schools

Education is very important in American Fork. Our schools are located in the Alpine School District. We currently have 7 elementary schools, 2 junior high schools, and 2 senior high schools. We also have 1 special education school, which provides educational opportunities to students both physically and mentally handicapped.

Test scores of students in the Alpine School District continue to be competitive with or exceed those of students nationally. American Fork High School Marching Band is rated number one in the state of Utah and continues to receive numerous honors and recognition.
